The Honorable Tom Cotton  
Senator from Arkansas  
326 Russell Senate Office Building  
Washington, DC 20510

Dear Senator Cotton,

On behalf of the more than 2.3 million members of AMAC – Association of Mature American Citizens, I write to offer our support for S. 2346, the *Stop CRT Act*.

AMAC members are so concerned about Critical Race Theory (CRT) that they insisted we place this issue in our legislative portfolio. They clearly understand that school boards and college campuses across the nation are promoting this dangerous, divisive ideology that teaches young people to hate their country, and they want this propagandizing of their children and grandchildren stopped.

The Stop CRT Act would ban federal funds from being sent to K-12 schools that promote CRT. It would also block federal funds for colleges and universities that require students and professors to uphold the beliefs of CRT. Importantly, your bill would also codify a Trump Administration Executive Order that prohibits the federal government and contractors from indoctrinating employees with CRT.

It is important to highlight that your bill does not infringe on Americans' First Amendment right to exercise lawful, protected speech.

Thank you, Senator Cotton, for leading the fight against Critical Race Theory. Your efforts to rid our Nation from the bane of CRT are greatly appreciated, and AMAC is pleased to offer our full support for S. 2346, the *Stop CRT Act*.

Sincerely,

A handwritten signature in black ink that reads "Bob Carlisle".

President, AMAC Action
